

## ABOUT

Land Aero is an Advanced Manufacturer of machined parts based in San Antonio, TX. We make parts for the space, aerospace, and defense industries using processes, systems, and software applications developed at Land Aero. We believe in creating good for the sake of innovation and technology. If we inspire others to innovate, make good things, and follow their passions, then we have succeeded.

## CAPABILITIES

### CNC Milling & CNC Turning:

- 3, 4, and 5 axis milling
- Mill work envelope: Up to 50.00" X 20.00" X 29.00"
- Dual Spindle Multi Axis Mill Turn Lathe
- Work envelope: Up to 21" Diameter X 32.50" Length

### Key Value Add Services

- Certified flight hardware installation
- Certified anodize, passivation, and chem film
- Experts in **Model Based Definition**
- Experts in **GD&T**
- Metrology lab with NIST certified gantry and handheld CMM's
- 3D printing

## ADVANCED MANUFACTURING

We built our own software that autonomously manages our entire production, scheduling, purchasing, and quality systems better than any off-the-shelf ERP, MRP, or MES software.

## NAICS CODES

332710	Machine Shops
333611	Turbine and Turbine Generator Set Units Manufacturing
336411	Aircraft Manufacturing
336412	Aircraft Engine and Engine Parts Manufacturing
336413	Other Aircraft Parts and Auxiliary Equipment Manufacturing

336414	Guided Missile and Space Vehicle Manufacturing
336415	Guided Missile and Space Vehicle Propulsion Unit and Propulsion Unit Parts Manufacturing
336419	Other Guided Missile and Space Vehicle Parts and Auxiliary Equipment Manufacturing
488190	Other Support Activities for Air Transportation
541330	Engineering Services
